Treasurer's Report

May 1, 2015 – April 30, 2016

Illinois Compiled Statutes (65 ILCS 5/3.1- 35-65) requires the municipal treasurer each year to publish an account of monies received and expenditures incurred within the preceding fiscal year, known as the "Annual Treasurer's Report" (AFR). This report summarizes the financial Statement of Operations, the source of revenues, a list of vendors paid made by the City of Waukegan for services, commodities, equipment and supplies over $2,500, and a compensation summary report within specified ranges. This report must be published in a newspaper of general circulation within 6 months of the end of each fiscal year and then filed with the Lake County Treasurer's Office.

This report will be published on October 26th in the edition of the Lake County News-Sun.
