

Waukegan Fire Department Training Division

CPR/AED Certification

The Waukegan Fire Department wants you to learn the skills that could save the life of another! These courses will help you overcome a reluctance to act in emergency situations by teaching you to recognize and care for life-threatening respiratory and cardiac emergencies in adults, children and infants. You will also learn to use an Automated External Defibrillator (AED) on victims of sudden cardiac arrest. *Participants must be at least 15 years of age.*
