AGREEMENT

THIS AGREEMENT entered into this March 18, 2015 between the CITY OF WAUKEGAN, ILLINOIS (the "City") and LOCAL 73 SERVICE EMPLOYEES INTERNATIONAL UNION (the "Union").

PREAMBLE

WHEREAS, the City, by ordinance, has voluntarily endorsed the practices and procedures of collective bargaining as a fair and orderly way of conducting its relations with certain of its full-time employees insofar as such practices and procedures do not interfere with the City's right and obligation to operate effectively and efficiently in order to best serve the City and its residents, and to make clear all basic terms upon which such relationship depends; and

WHEREAS, it is the intent and purpose of the parties to set forth herein their entire agreement covering rates of pay, wages, hours of employment and other conditions of employment and to provide the procedure for the prompt and peaceful settlement of grievances respecting the term of this Agreement;

NOW, THEREFORE, in consideration of the mutual promises and agreements herein contained, the parties do mutually promise and agree as follows:

ARTICLE I
RECOGNITION

SECTION 1.1 UNION RECOGNIZED

The City recognizes the Union as the sole and exclusive bargaining agent, for the purposes of establishing wages, hours and conditions of employment, for all full-time employees (those employees regularly scheduled to work more than 32 hours per week) and regular part-time employees (Those employees regularly scheduled to work more than 20 hours per week) of the City Clerk, Treasurer, Budget, Civil Defense, Collector, Water Works, Community Development/Enforcement, Community Block Grant, Public Works, Fire and Police Department who are employed in the classifications Clerical Technician I, Clerical Technician II, Clerical Technician III, Fiscal Assistant I, Fiscal Assistant II, Fiscal Assistant III, Engineering Technician I, Engineering Technician II, Code Enforcement I, Code Enforcement II, Code Enforcement III, Building Department Inspectors who are not deemed "professional" employees under the Illinois Public Labor Relations Act, Telecommunicator I, Telecommunicator II, and Telecommunicator III, Administrative Assistant I, Administrative Assistant II, Administrative Assistant III, Assistant Building Inspector, Engineering Inspector, Building Inspector, Electrical Inspector, HVAC Inspector, Plumbing Inspector, and Fire Prevention Inspector but excluding all seasonal, professional, supervisory, managerial or confidential employees as defined in the Illinois Public Relations Act, elected officials or officers of the City. The listing of a classification as within the scope of the bargaining unit does not require that the position be filled by the City.

SECTION 1.2 CLASSIFICATION NOT GUARANTEED

The classifications or job titles used above are for descriptive purposes only. Their use is neither an indication nor a guarantee that these classifications or titles will continue to be utilized by the City.

SECTION 1.3 NEW/REVISED CLASSIFICATIONS

The City shall promptly notify the union of its decision to implement any and all new classifications pertaining to work of a nature performed by employees in the bargaining unit. If the new classification is a successor title to a classification covered by the Agreement and the job duties are not significantly altered or changed, the new classification shall automatically become a part of this Agreement. If the new classification contains a significant part of the work now being done by any of the classifications covered by this Agreement, or whose functions are similar to employees in this bargaining unit, and the Union notifies the City of a desire to meet within ten (10) days of its receipt

of the City's notice, the parties will then meet to review the proposed new classification and if unable to reach agreement as to its inclusion or exclusion from the unit shall submit the question to the Illinois State Labor Relations Board. If the inclusion of the proposed new classification is agreed to by the parties or found appropriate by the Illinois State Labor Relations Board, the parties shall then negotiate as to the proper rate of pay for the classification, the City being free to assign a temporary rate pending the resolution of negotiations. When the City seeks to revise or update the position descriptions of bargaining unit positions it shall notify the Union and, upon request, meet to discuss the revisions or updates, but in any event the City shall provide the Union and affected bargaining unit employees with a copy of the new position description.

ARTICLE II
NON-DISCRIMINATION

SECTION 2.1 BASIS

Neither party to this Agreement shall discriminate against any employee covered by this Agreement in a manner which would violate any applicable state or federal laws because of race, creed, color, national origin, age, sex, or political affiliation.

SECTION 2.2 UNION ACTIVITY

Neither the City nor the Union shall interfere with the right of the employees covered by the Agreement to become or not become members of the Union, and there shall be no discrimination against any such employees because of lawful Union membership or non-membership activity or status.

SECTION 2.3 UNION RESPONSIBILITY

The Union recognizes its responsibility as bargaining agent and agrees to represent all employees in the bargaining unit set forth herein fairly and without discrimination, interference, restraint or coercion.

SECTION 2.4 GENDER

Wherever the female gender is used in this Agreement, it shall be construed to include equally both male and female employees.

ARTICLE III
MANAGEMENT RIGHTS

SECTION 3.1 MANAGEMENT RIGHTS

Except as specifically limited by the express provisions of this Agreement, the City retains traditional rights to manage and direct the affairs of the City in all of its various aspects and to manage and direct its employees including but not limited to the following: to plan, direct, control and determine all the operations and services of the City; to supervise and direct the working forces, to establish the qualifications for employment and to employ employees; to schedule and assign work, to establish work and productivity standards, and from time to time, to change those standards; to assign overtime, to determine the methods, means, organization, and number of personnel by which such operations and services shall be made or purchased; to make and enforce reasonable rules and regulations, to promote, demote, transfer or reward; to discipline, suspend, and discharge employees for just cause (probationary employees without cause); and to change or eliminate existing methods, equipment or facilities; provided, however, that the exercise of any of the above rights shall not conflict with any of the express written provisions of this Agreement.

ARTICLE IV
SUBCONTRACTING

SECTION 4.1 GENERAL POLICY

It is the general policy of the City to continue to utilize its employees to perform work they are qualified to perform. However, the City reserves the right to contract out any work it deems necessary in the interests of efficiency, economy, and improved work product or emergency.

SECTION 4.2 NOTICE AND DISCUSSION

Except where an emergency situation exists, before the City changes its policy involving the overall subcontracting of work in a general area, where such policy change amounts to a significant deviation from past practice which will result in the loss of work of a significant number of bargaining unit employees, the City will notify the Union and offer the Union an opportunity to discuss the desirability of subcontracting such work.

ARTICLE V
UNION RIGHTS

SECTION 5.1 DUES CHECK-OFF

While this Agreement is in effect, the City will deduct once each month the regular monthly Union dues of each employee in the bargaining unit for whom there is on file with the City a voluntary, effective check-off authorization on a form provided by the Union.

AUTHORIZATION TO DEDUCT DUES

"I, the undersigned, authorize and direct the hereinafter named employer to deduct from my wages each and every month dues and initiation fees which may be charged against me by the Union which is required to maintain me as a member in good standing in said Union, in accordance with the By-Laws of the Union. The amount deducted each month shall be forwarded to the Secretary-Treasurer of Local 73."

The amounts so deducted shall be forwarded each calendar month, not later than the 20th day thereof, to the appropriate officer of the Union, together with a list of names (and amounts) for whom deductions have been made. If the employee has no earnings due for that paycheck, the Union shall be responsible for collecting said dues. The Union will give the City thirty (30) days' notice of any change in the amount of uniform dues to be deducted. The Union may change the fixed uniform dollar amount, which shall be considered the regular monthly union dues no more than once each year during the life of this Agreement.

SECTION 5.2 FAIR SHARE

During the term of this Agreement bargaining unit member covered under this Collective Bargaining Agreement who are not members of the Union shall, commencing thirty (30) days after ratification of this Agreement pay a Fair Share Fee to the Union for collective bargaining and contract administration services rendered by the Union as the exclusive representative of the bargaining unit described in Article I, Section I of this Agreement. Such fair share fee shall be deducted by the City from the earnings of non-members and remitted to the Union each month. The Union shall annually submit to the City a list of the employees covered by this Agreement who are not members of the Union and an Affidavit, which specifies the amount of the Fair Share fee, which shall be in accordance with applicable law.

SECTION 5.3 UNION INDEMNIFICATION

The Union shall indemnify, defend and save the City harmless against any and all claims, demands, suits, or other

forms of liability (monetary or otherwise) and for all legal costs that shall arise out of or by reasons of action taken or not taken by the City in complying with the provisions of this Article. If an improper deduction is made, the Union shall refund directly to the employee any such amount. A check-off authorization is revocable.

SECTION 5.4 UNION ORIENTATION

A Union representative shall be provided fifteen minutes access to each bargaining unit employee hired by the City. Such access shall be granted during the first week of hire.

ARTICLE VI
GRIEVANCE PROCEDURE

SECTION 6.1 DEFINITION AND PROCEDURE

A grievance is a dispute or difference of opinion raised by an employee covered by this Agreement against the City, or by the Union against the City, involving the meaning, interpretation or application of the express provisions of this Agreement or existing rules. A grievance shall be processed in the following manner:

STEP ONE:

The employee or the Union (the 'Grievant') shall submit the grievance in writing to the employee's supervisor, who is outside the bargaining unit. The supervisor shall give the Grievant a written answer within ten (10) calendar days after such presentation.

STEP TWO:

If the grievance is not settled in Step One, it may be referred in writing, by the Grievant, to the employee's Agency Head within ten (10) calendar days after the supervisor's written response was received, or answer was due in Step 1 if no answer is provided. The written grievance should generally contain a statement of the Grievant's complaint, the Sections of this Agreement allegedly violated, the date of the alleged violation and the relief sought. The Agency Head or other person designated for this purpose shall discuss the grievance within ten (10) calendar days with the Grievant and the union steward, if desired by the Grievant, at a time mutually agreeable to the parties. If the grievance is settled at Step 2 the parties shall reduce their understanding to writing at the meeting. If no settlement is reached, the Agency Head or other person designated for this purpose shall provide the employee a written answer within ten (10) calendar days following their meeting.

STEP THREE:

If the grievance is not settled in Step Two and the Union wishes to appeal the grievance to Step Three of the grievance procedure, it shall be referred in writing to the Mayor or any other person the Mayor may so designate, within ten (10) calendar days after the City's answer in Step Two and shall be signed by both the employee and the Union. The Mayor or his representative shall discuss the grievance within ten (10) calendar days with the employee and the Union Steward at a time mutually agreeable to the parties. If the grievance is settled at this Step the parties shall reduce their understanding to writing at the meeting. If no settlement is reached, the Mayor, or his representative shall give the City's written answer to the Union within ten (10) calendar days following their meeting.

STEP FOUR ARBITRATION:

- (1) If the grievance is not settled in Step Three and the Union wishes to appeal the grievance to Step Four of the grievance procedure, the Union may refer the grievance to final and binding arbitration as described below within twenty (20) calendar days after the written decision is provided at the Third Step, or after the written decision was due, whichever is sooner.

- (2) The parties shall attempt to agree upon an arbitrator within twenty (20) calendar days after receipt of the notice of referral. In the event the parties are unable to agree upon an arbitrator within said twenty (20) calendar day period, the parties shall immediately jointly request the Federal Mediation and Conciliation Service to submit a panel of five (5) arbitrators. Each party retains the right to reject one panel in its entirety and request that a new panel be submitted. Both the Union and the City shall have the right to strike two (2) names from the panel. The party requesting final and binding arbitration shall strike the first two (2) names; the other party shall then strike two (2) names. The person remaining shall be the arbitrator.

- (3) The arbitrator shall be notified of his/her selection and shall be requested to set a time and place for the hearing, subject to the availability of Union and City representatives.

- (4) The City or the Union shall have the right to request the arbitrator to require the presence of witnesses or documents. The City and the Union retain the right to employ legal counsel.

- (5) The arbitrator shall submit his/her recommendation in writing within thirty (30) days following the close of the hearing or the submission of briefs by the parties; whichever is later.

- (6) More than one grievance may be submitted to the same arbitrator if both parties mutually agree in writing.

- (7) The fees and expenses of the arbitrator shall be divided equally between the City and the Union; provided, however, that each party shall be responsible for compensating its own representatives and witnesses who are not City employees on their regular work shift.

- (8) The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the questions of fact as to whether there has

been a violation, misinterpretation, or misapplication of the specific provisions of this Agreement. The arbitrator shall be empowered to determine the issue raised by the grievance as submitted in writing at the Second Step. The arbitrator shall have no authority to make a decision on any issue not so submitted or raised. The arbitrator shall be without power to make a decision which violated applicable federal/state law. The findings of the arbitrator shall be final and binding upon the City and the Union.

- (9) Grievances concerning alleged discrimination in the awarding of merit pay increases may be taken to arbitration as described above. The City's decision to grant a merit pay increase shall not be overturned by the arbitrator unless the decision to grant the merit pay increases is shown to have been made for an unlawfully discriminatory purpose.

STEP FIVE LIMITATIONS ON AUTHORITY OF ARBITRATOR

Each party shall bear the expense of its own witnesses who are not employees of the City. Questions of arbitrability shall be decided by the arbitrator. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the question of fact as to whether there has been a violation, misinterpretation, or misapplication of the specific provisions of this Agreement. The arbitrator shall be empowered to determine the issue raised by the grievance as submitted in writing at the Second Step. The arbitrator shall have no authority to make a recommendation on any issue not so submitted or raised. The arbitrator shall be without power to make recommendations contrary to or inconsistent with, in any way, applicable laws or rules and regulations or administrative bodies that have the force and effect of law. The arbitrator shall not in any way limit or interfere with the powers, duties and responsibilities of the City under law and applicable court decisions. The findings of the arbitrator shall be final and binding on both the City and the Union.

SECTION 6.2 TIME LIMITS FOR FILING

No grievance shall be entertained or processed unless it is submitted at Step One within ten (10) calendar days after the occurrence of the event giving rise to the grievance or within ten (10) calendar days after the employee, through the use of reasonable diligence, should have obtained knowledge of the occurrence of the event giving rise to the grievance. If a grievance is not presented within the time limits set forth above, it shall be considered "waived." If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the City's last answer. The City's failure to respond within the time limits shall be deemed a denial of the grievance on the date the City's response was due. The parties further agree that all of the steps of the grievance procedure must be fully respected at all times absent written mutual agreement of the parties.

SECTION 6.3 TIME OFF

The Grievant and one Union representative, along with any employee witnesses shall be given paid time off to participate in the grievance meetings if the meetings are conducted on working time. The Grievant and one Union representative along with any employee witnesses shall also be paid time off to attend any arbitration hearing conducted on working time. No other time spend on grievance matters shall be considered time worked for compensation purposes.

SECTION 6.4 UNION GRIEVANCES

Upon the mutual agreement of the parties the Union may file Union grievances at appropriate higher levels of the grievance procedure than would otherwise be required in this Article. Such agreement shall be in writing, which shall include e-mail.

SECTION 6.5 PERTINENT WITNESSES AND INFORMATION

Upon request by either party, the other party shall produce at the hearing specific documents, books, papers or witnesses reasonably available and substantially pertinent to the grievance under consideration.

ARTICLE VII
SENIORITY

SECTION 7.1 DEFINITION

Except for Communications personnel covered by this Agreement, seniority shall, for the purpose of this Agreement be defined as an employee's length of continuous full time service since the last date of hire with the City. For communications personnel covered by this Agreement, seniority shall be defined as the employee's length of service as a communications person, except for purposes of calculating benefit accrual then the original date of hire shall apply. Periods of unpaid leave or suspension shall not be counted toward seniority for any employee covered by this Agreement.

SECTION 7.2 APPLICATION OF SENIORITY

Seniority shall be the determining factor (a) in the initial bidding for vacation scheduling, as outlined in Section 14.4 and (b) in matters of layoff, recall, and shift assignments (except in an emergency or in Communication training situations where no Communications II or III is available on a shift for up to sixty (60) consecutive days). Seniority shall also be the determining factor in filling vacancies when, among employees involved, the qualifications, skill, ability, and functional experience to perform the work are relatively equal. When applying this principle of seniority and ability, the City's decision shall be made in good faith and its actions shall not be arbitrary or capricious, and may be based on objective, job-related test.

SECTION 7.3 TERMINATION OF SENIORITY

Seniority and the employment relationship shall be terminated when, among other reasons, and employee:

- (a) Quits; or
- (b) Is discharged for just cause and is not reinstated under the grievance procedure; or
- (c) Retires or is retired; or
- (d) Is absent for three (3) consecutive working days without notifying the City; or
- (e) Is laid off and fails to report to work as required by Section 7.6
- (f) Does not report for work within forty eight (48) hours after the termination of an authorized leave of absence. An extension of time will he granted if the employee could not report for work within forty-eight (48) hours but reports for work within a reasonable time; or
- (g) Is laid off for a period in excess of one (1) year.

SECTION 7.4

A. PROBATIONARY PERIOD

All new employees and those hired after loss of seniority shall be considered probationary employees until they complete a probationary period. The probationary period for non-telecommunications employees shall be a minimum of one hundred fifty (150) days, excluding any absences due to leave without pay. The probationary period for telecommunications employees shall be twelve months, excluding any absences due to leave without pay.

During an employee's probationary period the employee shall be represented by the Union except in cases of discipline. Probationary employees may be suspended, laid off, or terminated or otherwise disciplined at the discretion of the City.

Additionally, the City reserves the right to extend an employee's probationary period by sixty (60) days when necessary if, in the City's judgment, such extended time is necessary to satisfactorily determine the employee's ability to perform the duties and responsibilities of the job.

The City will consider appropriate input from Stewards in the appropriate area when evaluating probationary employees in the Bargaining Unit.

There shall be no seniority among probationary employees. Upon successful completion of the probationary period, an employee shall gain the right to Union representation and shall acquire seniority, which shall be retroactive to his last date of hire with the City in a position covered by this Agreement.

B. PROMOTED EMPLOYEE

A probationary period of sixty (60) days shall be served by an employee who has been promoted to a bargaining unit position covered by this Agreement after having successfully completed a probationary period in another position covered by this Agreement. If an employee promoted from one bargaining unit position to another bargaining unit position fails to satisfactorily complete the probationary period in the promoted position because of inability to perform the duties and responsibilities of the new promoted position, and if less than eight (8) calendar days have elapsed, the employee shall have a right to return to her former position. If eight (8) or more calendar days have elapsed, the employee shall have a right to return to her former position if it has not been filled. If the position has been filled, the employee will be offered another position he/she is qualified to fill without the need for further training. Finally, if no such position exists, the employee will be terminated but his/her name will be placed on a preferential hire list and he/she will be offered her former position when it becomes open before it is offered to any

other employee, so long as he/she has the skill and ability to perform the work in question without further training.

SECTION 7.5 SENIORITY ROSTER

The City shall maintain post and keep current a seniority roster noting date of hire and current position by job title and/or classification. Any objection to the seniority roster as posted shall be reported in writing to the appropriate Agency Head within fifteen (15) workdays of the date of posting of the seniority roster. The Union shall be provided with a copy of the seniority roster on or before March 1, July 1 and November 1 of each year.

SECTION 7.6 LAYOFF AND RECALL

The City in its discretion shall determine whether layoffs are necessary unless it is clearly established that such a determination is arbitrary. Although not limited to the following, layoffs shall ordinarily be for lack of work and/or lack of funds. If it is determined that layoffs are necessary, employees will be laid off in the following order:

- (a) Temporary employees; seasonal employees; provisional employees;
- (b) Part-time employees not included in the bargaining unit;
- (c) Probationary employees in their original probationary period as defined in Section 7.4A; and
- (d) In the event of further reductions in force, employees will be laid off from the following job groupings in accordance with their seniority and ability to perform the remaining work available without further training.

1. **Water and Collections**

7. **Police**

8. **Clerks Office**

SECTION 7.6 LAYOFF AND RECALL (CONTINUED)

When two or more employees within a specific job grouping described above have relatively equal experience, skill, ability, and qualifications to do the work without further training, the employee(s) with the least seniority will be laid off first. In order for a more senior employee, within one of these job groupings selected for layoff, to displace a more junior employee, the more senior employee must be able to do the work required by the employer. Employees will not be able to assert seniority from one job grouping to another.

Employees who are laid off shall be placed on a recall list for a period of one (1) year. If there is a recall, the employees who are still on the recall list shall be recalled in the inverse order of their layoff, provided they are presently qualified to perform the work in the job classification to which they are recalled without further training.

If an employee is recalled to a position in a lower rated job classification, he/she shall have the right to return to the job classifications he/she held prior to being laid off in the event it subsequently becomes available. If an employee is recalled to a lower rated job classification, the employee shall have the right to refuse the recall. The City shall not hire new employees in bargaining unit positions as long as there are still employees on the recall list who are presently qualified to perform the work in the affected job classification and are willing to be recalled to said classification.

Employees who are eligible for recall shall be given fifteen (15) calendar days notice for recall and notice of recall shall be sent to the employee by certified or registered mail with a copy to the Union, provided that the employee must notify the Agency Head of her intention to return within three (3) working days after receiving notice of recall. The City shall be deemed to have fulfilled its obligations by mailing the recall notice by registered mail to the mailing address provided by the employee, it being the obligation and responsibility of the employee to provide the Agency Head with her latest mailing address.

SECTION 7.7 JOB POSTING AND FILLING OF VACANCIES

(a) POSTING REQUIREMENTS

When a vacancy occurs in a position covered by this Agreement or if a new position is created and is determined to be in the bargaining unit, the City will post a "Position Available" notice on the bulletin boards in City Hall, City Yards,

Building and Fire Department, and Police Department. The notice shall be posted for five (5) working days. This notice will describe the position and its qualifications and will advise that written applications will be received by the Personnel Office until a specified date and time. SECTION 16.4 UTILITY TAX

If, at any time during the life of this Agreement, any portion of the 5% Utility Tax shall be reduced or eliminated by litigation or Council action, the City has the option to reopen negotiations over the wage rates contained in this Agreement. However, if the Union and the City cannot come to an agreement during such negotiations, then the wage rates contained in this agreement shall remain in full force and effect and the City may proceed with whatever cost cutting measures, if any, it seems to be appropriate.

SECTION 16.5 WAGE RELATED FRINGE BENEFITS

The parties recognize that when wages increase, the costs to the City (and benefits to the employees) increase in an amount far greater than the actual amount of the wage increase alone. That is, when wages go up, City costs for unemployment compensation, worker's compensation, health and welfare, retirement, overtime, the costs of paid holidays, sick days, vacations days, etc., also increase. Consequently, the parties hereby recognize that for each ten cents (10) of increased wages, the costs to the City actually increase by about thirteen (13) cents. The parties agree that these costs are a part of the total wage package received from the City and mean proportional increased costs to

the City.

SECTION 16.6 MERIT PAY

The City may grant or fail to grant such merit pay increases as it solely deems appropriate based on job performances. The City agrees to notify the Union of merit pay increases.

SECTION 16.7 RECLASSIFICATION

If circumstances should require that the job performed by an employee be reclassified to a lower-paid job classification, the City agrees that it will not lower that employee's pay rate during the life of this Agreement to reflect the reclassification.

SECTION 16.8 LONGEVITY PAY

Upon completion of twelve (12) years of continuous employment, an employee shall receive two hundred fifty (\$250.00) longevity pay added to his/her base pay; another \$250 shall be added to his/her base pay after the completion of fifteen (15) years of continuous service, and an additional \$500 shall be added to his/her base salary at the completion of twenty (20) years of service.

SECTION 16.9 SEARCHING OF FEMALE PRISONERS

- (a) Management may assign the responsibility of female prisoner searches to non-bargaining unit employees.
- (b) Management will assign the responsibility of female prisoner searches to on-duty female police officers who are at the police station before assigning such responsibilities to bargaining unit personnel.
- (c) Management will seek full-time bargaining volunteers before assigning the responsibility of searching female prisoners to full-time bargaining unit employees and management will rotate assignments among such bargaining unit volunteers who are available and have received training within the past year.
- (d) Management will provide basic training to bargaining unit personnel who request such training and who regularly volunteer to search female prisoners.
- (e) Management will pay bargaining unit employees \$20.00 per search when they conduct the search of a female prisoner.

SECTION 17.4 PREMIUM ALLOCATION

If a second opinion is required and received, the employee shall have the choice as to which opinion to follow.

SECTION 17.6 LIFE INSURANCE

The value of individual coverage shall be adjusted each February 1st to the next highest \$1,000.

ARTICLE XVIII

The Union will limit the posting of Union notices to these bulletin boards and the City reserves the right to require advance approval of bulletin board postings.

SECTION 18.2 RULES OF WORK

The City shall have the right to adopt reasonable rules of work and to change or modify them, so long as such adoption, change or modification is not contrary to the express provisions of this Agreement. Whenever the City changes working rules or issues new working rules, the Union will be given at least three (3) days prior notice, absent emergency, before the effective date.

More frequent meetings may be held upon mutual agreement. Each party shall prepare and submit an agenda to the other party one (1) week prior to the scheduled meeting. One of the four meetings shall be scheduled during working time and the City shall pay the Union representatives in attendance their normal rate of pay for this one meeting; attendance at remaining meetings shall not be considered as time worked for the employees involved.

SECTION 18.9 UNIFORMS

City agrees that should uniforms unique to the City of Waukegan be required for work, the City shall pay the cost of such initial and replacement uniforms. To be eligible for replacement uniforms, employees must return any and all soiled garments to the City (supervisor). Employees may not wear such uniforms outside of work and shall be required to wear and maintain their uniforms in a clean, neat, and orderly fashion.

SECTION 18.11 VIDEO DISPLAY TERMINALS

City agrees to allow Union opportunity for input prior to making major change in VDT equipment. City shall allow pregnant VDT operators(s) to take a leave of absence without pay. Upon return, such employee shall be entitled to previous job, if available, or to the first available opening for which she qualifies. City shall consider the use of temporary help before permanently filling positions left vacant during such leave of absence.

SECTION 18.12 USE OF SECONDARY LANGUAGE

Employees who utilize a language other than English are expected to assist citizens who speak that same language, where appropriate. The effective utilization of such second language shall be taken into consideration when the employee's work performance is reviewed, and when the employee applies for a transfer or a promotion. If the employee makes an inadvertent mistake in translation then such inadvertent mistake shall not be cause for discipline.

SECTION 18.13 TELECOMMUNICATORS/COMMUNICATION PERSONNEL AND OUTSIDE EMPLOYMENT

Such notification shall include the name of the employer, the type of business, the number of days worked weekly and the number of hours worked daily as well as the proposed hours of employment. Written request for such employment shall be approved by the City unless such outside employment will interfere with the employee's communications department position, ability to perform department duties, place the employee in a conflict of interest situation, or cause embarrassment to the good public image of the Waukegan Police Department. Under no circumstances shall employees work more than sixteen and one-half (16 1/2) hours within a twenty-four (24) hour period, inclusive of all hours of work, whether for the City of Waukegan or for some outside employer. Although requests to pursue outside employment shall not be unreasonably denied, any approval of outside employment subsequently may be revoked by the City for cause. An employee requesting outside employment must be subject to emergency call to duty.

The City and the Union recognize the advantage of training and development of employees. The City shall provide employees with reasonable orientation of equipment and procedures used in employees' work assignments and periodic changes therein. The City will endeavor to provide reasonable access to training and development opportunities for qualified employees where such training is offered. Employees shall attend required training sessions and successfully complete required training programs as though part of their normal work duties.

SECTION 19.2 TRAINING OUTSIDE OFFICE

The City agrees to pay for all training time mandated or approved by the City, from the employee's normal place of work to the training site and return and to reimburse the employee for mileage if the employee's personal car is utilized in accordance with IRS regulations.

SECTION 19.3 TUITION REIMBURSEMENT

The City is committed to the continuing training and improvement of employees. To assist employees in such training the City shall reimburse employees for tuition and required text expense, provided the employee first receives the expressed written approval of his/her Agency Head and Personnel Director, or designee, which may not be unreasonably withheld. Permission must be granted prior to registering for the course. To further qualify for such reimbursement the course must be administered by an accredited school of continuing education, must be specifically job related, must be part of an undergraduate program approved in advance by the City, and must help the City meet existing needs.

Upon satisfactory completion of the approved course with a grade of "C" or higher, employees shall receive tuition reimbursement of fifty percent (50%) of tuition, fees, and required texts, to an annual limit of \$3,600.

The City shall pay 100% of all required seminars and courses, providing prior approval is granted by the Agency Head and Personnel Director, or designee.

Furthermore, if the employee leaves the City's employ prior to completing 24 months of continuing service with the City beyond completion of the course, any monies reimbursed the employee must be refunded to the City. The City may deduct from the employee's final paycheck any monies not properly reimbursed as provided in this Section of the

Agreement.

ARTICLE XX
HEALTH AND SAFETY

SECTION 20.1 HEALTH AND SAFETY

(a) Compliance with Laws

In order to have a safe place to work, the City agrees to comply with all laws applicable to its operations concerning the safety of employees covered by this Agreement. All such employees shall comply with all safety rules and regulations established by the City.

(b) Unsafe Conditions

If an employee has justifiable reason(s) to believe that his/her safety and health are in danger due to an alleged unsafe working condition, or alleged unsafe equipment, he/she shall inform his/her supervisor who shall have the responsibility to determine what action, if any, be taken, including whether or not the job should be shut down.

ARTICLE XXI
DRUG AND ALCOHOL TESTING

SECTION 21.1 PRINCIPLES

The Union and the City are committed to the principle that professionalism in the delivery of public service can only be maintained through an alcohol and drug-free work environment.

SECTION 21.2 WHEN TESTING MAY OCCUR

The City may require an employee to submit to a drug or alcohol test where there is reasonable, individualized suspicion of improper drug or alcohol use indicated in writing by at least to management representatives. Upon request the City shall provide an employee who is ordered to submit to any such test with a written statement of the basis for the City's reasonable suspicion within seventy-two (72) hours of the request. In addition, the City may require communications employees to submit to random drug and/or alcohol test so long as no bargaining unit employee is required to submit to more than two random drug tests in any contract year and the City may not conduct a greater number of random drug tests in any calendar year than there are communications employees within the bargaining unit.

SECTION 21.3 THE TESTING PROCEDURE

The City may use breathalyzer tests for alcohol testing. For drug testing, the City shall use only laboratories which are certified by the State of Illinois to perform drug testing and shall be responsible for maintaining the identity and integrity of any drug sample. In such tests, the passing of urine will not be directly witnessed unless there is reasonable suspicion to believe the employee may tamper with the testing procedure. In the first drug test, which shall be considered a screening test, results in a positive finding based upon the cut-off standards utilized by the Northeastern Illinois Regional Crime Laboratory, a GC/MS (gas chromatography/mass spectrometry) or similarly accurate test shall not be submitted to the City; only GC/MS confirmatory test results of their equivalent will be reported to the City. Upon request, the City shall provide an employee with a copy of any test results which the City receives with respect to such employee along with such other information as is required to assure the tests were properly conducted.

SECTION 21.4 ADDITIONAL TESTS

A portion of the drug test sample, if positive, shall be retained by the laboratory for six months so that the employee may arrange for another confirmatory test (GC/MS) to be conducted by a laboratory certified by the State of Illinois to perform drug testing of the employee's choosing. In addition, an employee shall have the right at the time a sample is taken to insist that a blood sample be taken and retained for testing should the initial test prove positive.

SECTION 21.5 DISCIPLINE AND REHABILITATION

If an employee tests positive for alcohol or for illegal drugs or for the abuse of prescribed drugs, the City may discipline the employee and/or may direct the employee to seek assistance through an employee assistance program. Voluntary requests for assistance shall be held strictly confidential, and information concerning such requests shall be shared by the City only on a need to know basis. An employee voluntarily requesting assistance with a drug and/or alcohol problem shall not be disciplined by the City because of such an initial request for assistance.

SECTION 21.6 UNION REPRESENTATION

When an employee is requested to submit to a drug test, he/she shall have the right to have a union representative present during such test so long as it does not unreasonably delay the test, and the employee shall be given at least some of the reasons for the test. If the employee waives the right to a union representative, such waiver shall be in writing.

SECTION 21.7 PAYMENT FOR TESTING

Except as otherwise provided above, all drug testing shall be at the City's expense and, except for a separate blood test requested by the employee which shall be equally shared between the employee and the City, shall be conducted while the employee is on duty or is being paid.

SECTION 21.8 HANDLING OF SAMPLES

Body fluid samples shall be properly marked, sealed and shall be signed by the employee being tested, the union representative, and a representative of the City. The sample shall be mailed or taken to the laboratory by a Union representative and a representative of the City.

SECTION 21.9 CONSTITUTIONAL RIGHTS

Nothing in this Article shall be construed to limit an employee's constitutional rights.

SECTION 21.10 FITNESS FOR DUTY

There is no fitness for duty test upon return from a leave of absence from an illness, which includes drug testing. If the City Council chooses to put in place a policy then the City shall negotiate with the Union the effects of any such policy.

ARTICLE XXII

SAVINGS CLAUSE

If any provision of this Agreement, or the application of such provision, should be rendered or declared invalid by any court action or by reason of any existing or subsequently enacted legislation, the remaining parties or portions of this Agreement shall remain in full force and effect.

ARTICLE XXIII
ENTIRE AGREEMENT

This Agreement constitutes the complete and entire agreement between the parties, and concludes collective bargaining between the parties for its term. This Agreement supersedes and cancels all prior practices and agreements, whether written or oral, unless expressly stated in this Agreement.

The parties acknowledge that during the negotiations, which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law or Ordinance from the area of collective bargaining, and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the City and the Union, for the duration of this Agreement, each voluntarily and unqualified waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to, or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

ARTICLE XXIV
TERMINATION

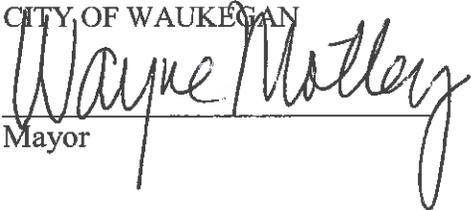

This Agreement shall be effective as of the Ratification date of Agreement, and shall remain in full force and effect until 11:59 P.M. on April 30, 2019. It shall be automatically renewed from year to year thereafter, unless either party shall notify the other in writing sixty (60) days prior to the anniversary date that it desires to modify the Agreement. In the event that such notice is given, negotiations shall begin no later than thirty (30) days prior to the anniversary date. This Agreement shall remain in full force and be effective during the period of negotiations and until notice of termination of this Agreement is provided to the other party in the manner set forth in the following paragraph:

RE: Take Home Cars

The purpose of this side letter is to memorialize the bargaining Agreement that the use of take home cars is mandatory subject of bargaining under the Illinois Labor Relations Act.

SIDE LETTER
CITY OF WAUKEGAN AND SEIU, LOCAL 73

This Side Letter of Agreement is entered into by and between the City of Waukegan ("City") and the Service Employees International Union, AFL-CIO, Local 73 ("Union"), parties to a Collective Bargaining Agreement ("CBA") dated May 1, 2015 through April 30, 2019.

The parties hereto agree as follows:

As in past practice between the City and the Union, any employee that has more than forty (40) hours of accrued compensatory time shall no longer be able to earn additional compensatory time until such time is used or cashed out by the end of the upcoming fiscal year, i.e., April 30, 2016.

As in past practice between the City and the Union, any employee that has forty (40) hours or less of accrued compensatory time at the end of the fiscal year, i.e. April 30, 2016, shall be permitted to carryover the hours until such time the employee wishes to use or cash out the compensatory time.

Effective May 1, 2015, the parties agree to abide by the intent of the CBA language in Article VIII, Section 8.7, which shall be interpreted to mean that employees may accumulate no more than forty (40) hours of compensatory time in any given fiscal year (a "hard cap") and that by the end of each fiscal year all employees shall have a balance equal to forty (40) hours or less either through use of the time or the cash out option as set forth in Article VIII, Section 8.7 of the CBA.
