<p>Alderman Cunningham</p>	<p><u>ALDERMEN'S TIME:</u></p> <p>38. The vehicle service center (garage) at Belvidere & Lincoln is difficult for us to control. We need to add conditions to the business. It is old and just does not have the room they need to park vehicle that they are working on so they park them on the residential street. This is affecting the older established neighborhoods. The police department is writing tickets in this area but nothing has changed. Cars are being parked on the street by the business owners.</p> <p>It is his opinion that the Seizure Ordinance \$500.00 fine is much too high. He would like to see the fine up to \$500.00 with the hearing officer having the option of fining the offender up to \$500.00 depending on the circumstances.</p>

Alderman Koncan	39. Thanked residents who spoke on their desire to take back their neighborhood. Voter registration coming up.
Alderman Moisio	<p><u>ALDERMEN'S TIME cont.:</u></p> <p>40. Discussed apartment renters that will not comply with city ordinances. Maybe we can hit the landlords in the pocket book. It is his opinion that a lease tax would kill the property owners. He then discussed taxing the HUD section eight programs. He indicated that this has been the best start of the high school in the past twenty years.</p>
Alderman Figueroa	41. Agrees with Alderman Cunningham position on the \$550.00 seizure fee.
Alderman Newsome	42. Stated that stray dogs are everywhere. We need to get the word out that dogs must on a leash when they are out of their homes. If you know of a dog running loose call someone, the police, your Alderman, or Animal Shelter
Alderman TenPas	<p>43. He feels that we have a wonderful animal shelter. He encouraged residents to make use of the micro chipping of your animal.</p> <p>We need to review the Seizure Ordinance. Section 8, additional taxes we need to look into it. The high school is getting under control. Kids are getting into class on time. Leaf pick-up, please place your leaves into a container so they can be picked up easily.</p>
Alderman Larssen	44. Asked Ann Linn to see if we could have a two level approach to the rental fee structure for residents and non residents. Regarding Neighborhood Watch, he thanked the ladies for showing up tonight and discussing problems in their neighborhood. There will be a Main Street Meeting on the 6 th of October.
Alderman Rivera	45. Several bus company issues have come up such as noise, they are using Hollis Avenue he wants to close the street. There have been several accidents involving busses in that area. Concerning Public Safety, he supports the drug unit and gang crime unit. We need to support these two groups he does not want to cut back in these units. the Lions Club Candy Day this weekend.
