

Figure 1 - Fence Placement on a Corner Lot

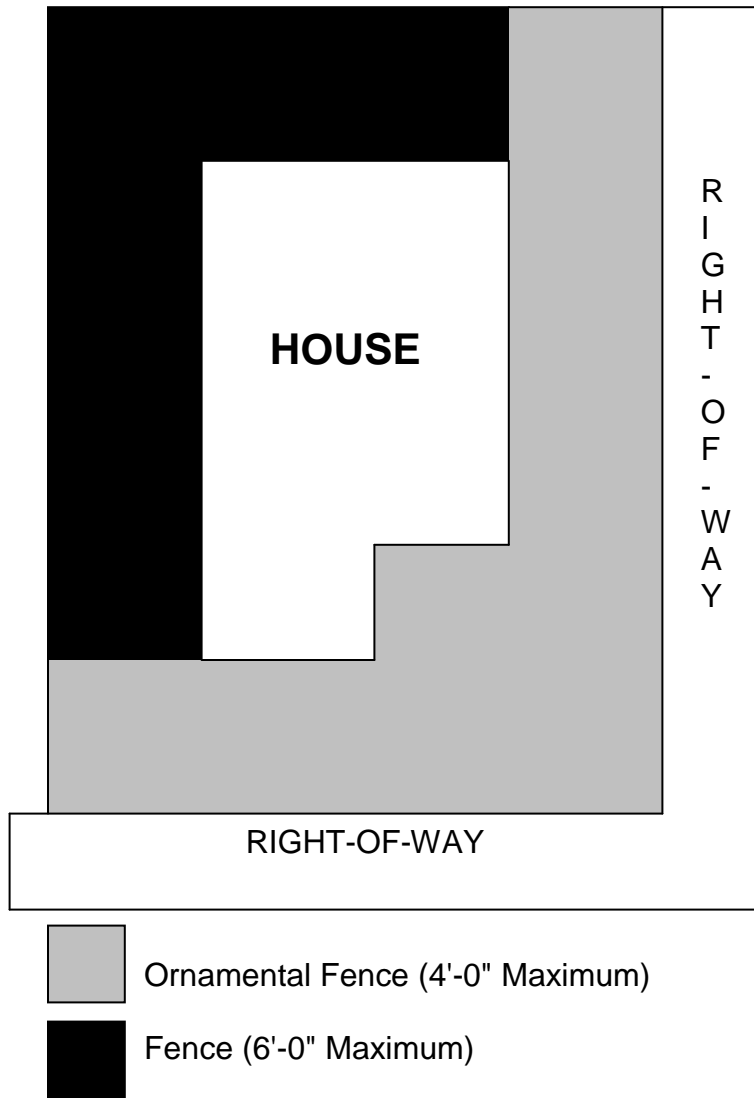

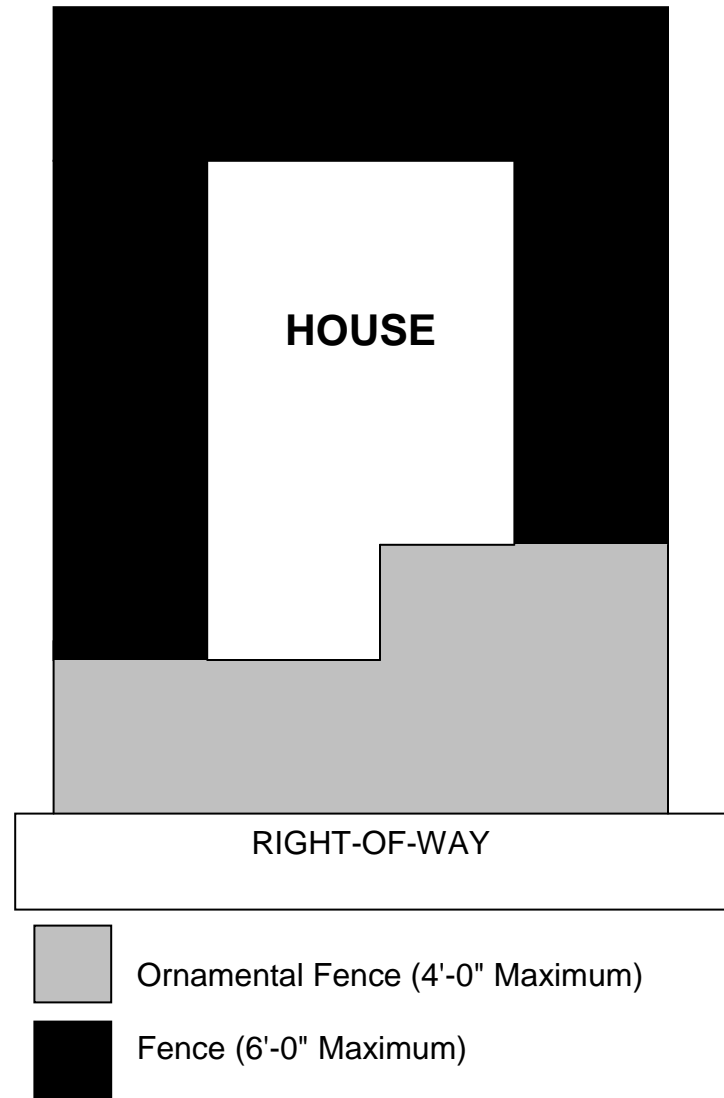

Figure 2 - Fence Placement on an Interior Lot

Fences are prohibited in any front or corner side yard, except that an ornamental fence may be erected to a height of no greater than four (4) feet, pursuant to site plan review procedures (see Figure 1). In any interior side or rear yard, a fence may be erected to a height of no greater than six (6) feet (see Figure 2).
