Findings of Fact

The City of Waukegan Subdivision Ordinance requires that the Planning and Zoning Commission take into consideration the factors listed below in making its recommendation to the City Council. As the applicant, you must demonstrate why the proposed subdivision is appropriate. The burden of proof for a subdivision rests with the applicant. Each of the questions below must be addressed as part of the application. If you do not believe a particular factor does not apply to the property in question, indicate "Not applicable" and explain why it does not apply.

1. **Describe how the proposed subdivision will be compatible with the existing uses and zoning of adjacent and nearby properties.**

2. **Will this proposed subdivision require any variances from requirements of the Subdivision Ordinance and/or Zoning Ordinance? If so, please identify those variances and how much they would vary from the Subdivision Ordinance and/or Zoning Ordinance.**

3. **How will the proposed development be compatible with the scale, bulk, coverage, density, and character of the neighborhood in which it is located? Keep in mind how the existing area's terrain, landscape, size and shape will accommodate the proposed size, shape and arrangement of structures, layout of streets and connection to other neighborhoods.**

4. **What is the estimated amount of daily vehicular traffic generated by this proposed subdivision? Please indicate how you come to this amount and how this will not lead to undue traffic congestion or traffic hazards. A traffic study may be requested by the City at the petitioner's expense.**

5. **Describe how the proposed subdivision will not have any adverse effect on the value of adjacent properties.**

6. **Describe how public facilities and services are/will be adequate for the proposed subdivision.**

7. **Describe how the proposed subdivision is appropriately located with respect to transportation facilities, water and sewer supply, fire and police protection, and similar facilities.**

PROCEDURES

1. Pre-Development Conference. A pre-development conference with the City Engineer and Plat Administrator is required prior to considering submitting an application for a subdivision. The purpose of such a conference is to allow the developer to present a general concept of his proposed subdivision prior to the preparation of detailed plans. The scheduling of a pre-development conference does not guarantee approval.
2. Submittal Meeting. Applications are due **BEFORE** the 8th of the month in order to be placed on the Planning and Zoning Commission agenda for the following month. This allows for the required publication of notices and the mailing of notices to surrounding property owners. The applicant and/or his representative are required to schedule and personally attend the submittal meeting. Applications **WILL NOT** be accepted without scheduling a submittal meeting. Applications will also not be accepted if there is anything missing from the Attachment Checklist below. Missing information may postpone the hearing date of this application until the month after the following month. Staff shall review the application for completeness, to make certain that the application meets the requirements of the Zoning Ordinance, and to issue a placard which the applicant must display on the subject property indicating the date and time of the public hearing.
3. Post Notification of Public Hearing. The applicant is responsible for and is **REQUIRED** by the Zoning Ordinance to post notification of the Planning and Zoning Commission's public hearing in a conspicuous place on the subject property facing the nearest improved street, not less than 15 days before the public hearing. This notification shall be posted on forms provided by the City of Waukegan Planning and Zoning Department.
4. Public Hearing. The applicant and/or his representative is **REQUIRED** to attend the Planning and Zoning Commission's public hearing whenever the proposed subdivision is scheduled to be heard (the second Thursday of the month after the application is received, if received in complete form and prior to the 8th of the month). Meetings are held in the City Council Chambers, 100 N. Martin Luther King, Jr. Avenue, Waukegan, Illinois, at 7:00 PM.
5. Community Development Committee Meeting. The applicant and/or his representative are **REQUIRED** to attend the Community Development Committee meeting. Meetings are held in the City Council Chambers, 100 N. Martin Luther King, Jr. Avenue, Waukegan, Illinois, on the first Monday of the month (and after the Planning and Zoning Commission public hearing) anytime between 5:00 PM and 7:00 PM.
6. City Council Meeting. If the Community Development Committee forwards a recommendation, this application will be considered by the full City Council on the third Monday of the month at 7:00 PM.

COST RECOVERY FEE – LAND DEVELOPMENT APPLICATIONS

Third Party Cost Recovery

During the course of reviewing and processing land development applications, including annexation petitions, the City of Waukegan often incurs expenses for third party costs. In order to efficiently process land development applications, every filed application is subject to certain costs and expenses (“Cost Recovery Fees”) that are placed in a City escrow account (“Cost Recovery Escrow”), as provided in Article III Section 3.13-8 of the Waukegan Zoning Ordinance. Recoverable Costs are in addition to any and all other filing fees and other charges established by the City. The initial Cost Recovery Escrow deposit shall be in the amount of \$1,000 and is due at the time of filing the land development application.

The following items denote costs incurred by the City in processing an application that would be deducted from the Cost Recovery Escrow:

- Publication of notices
- Court reporter, including the cost of two transcripts
- Corporation Counsel or other City-retained attorney or law firm, consultation, meeting attendance
- Professional and technical consultant services, document preparation and review
- Document recordation
- Copy reproduction
- Mailing costs

Process

- Every application must be accompanied by the required application fee and the initial deposit to the Cost Recovery Escrow.
- Within a reasonable time following final action on an application, a final accounting will be made and any remaining funds in the Cost Recovery Escrow after payment of the total actual costs due will be returned to the owner or applicant.
- In cases where the Cost Recovery Fees exceed the original deposit, City staff will notify the applicant and request additional funds. Such funds will be forwarded to the Planning and Zoning Department and added to the Cost Recovery Escrow. The City shall maintain an accurate record of all drawings from the Cost Recovery Escrow.
- Failure to pay any portion of the Cost Recovery Fees or replenish the Cost Recovery Escrow within 30 days of the mailing of notice shall be grounds for refusing to process an application and for denying or revoking any permit.

THE OWNER AND APPLICANT ACKNOWLEDGE AND AGREE THAT EACH OF THEM ARE AWARE THAT BY SIGNING THE LAND DEVELOPMENT APPLICATION THEY ARE SUBJECT TO ALL OF THE PROVISIONS OF ARTICLE III SECTION 3.13-8 OF THE WAUKEGAN ZONING ORDINANCE AND THEY AGREE TO PAY, AND HAVE CONSENTED TO (i) THE COST RECOVERY FEES, (ii) ANY COSTS OF COLLECTION THAT HAVE NOT BEEN PAID WITHIN 30 DAYS FOLLOWING THE MAILING OF A WRITTEN DEMAND FOR PAYMENT TO THE OWNER OR APPLICANT AT THE ADDRESS SET FORTH ON THE APPLICATION, AND (iii) ANY ADDITIONAL COST RECOVERY FEES ASSESSED. THE OWNER AND APPLICANT AGREE THAT THEY SHALL BE JOINTLY AND SEVERALLY LIABLE FOR THE PAYMENT OF THE COST RECOVERY FEES ASSESSED. NO APPLICATION FILED SHALL BE CONSIDERED COMPLETE UNLESS AND UNTIL ALL FEES AND DEPOSITS HAVE BEEN PAID. EVERY APPROVAL GRANTED AND EVERY PERMIT ISSUED, WHETHER OR NOT EXPRESSLY SO CONDITIONED, SHALL BE DEEMED TO BE CONDITIONED UPON PAYMENT OF COST RECOVERY FEES AS REQUIRED PURSUANT TO CITY ORDINANCE.
