Re: LGBTQ+ Law Enforcement Liaison

I am delighted to announce that Officer Cory Kelly has been named the Waukegan Police Department liaison to the LGBTQ+ community. The police department is committed to making sure that we have an open, and positive relationship with members of the LGBTQ+ community. It is the responsibility of the police department to recognize and understand the concerns members of the LGBTQ+ community might have, and allow them a direct path to address those concerns.

I am confident that Officer Kelly will represent our department in the most professional way, to bridge the gap between law enforcement and the LGBTQ+ community.
